
Oxford's

Human Rights abuses: The corporate connection

A symposium and expose on the modern University and its connection to the wider world. An hour and a half of information and discussion on how Oxford does and should relate to the era of globalisation. With some insider information along the way...

featuring discussions on...

- Sponsorship & Greenwash (Coke & BP)
- The Arms Trade connection
- Research for Nanotech
- College investments
- What can we do?

~ Free food etc. ~

Tuesday 4th Week, 7:30pm
