

St John's Student Survey

If you've never made it to a JCR or MCR meeting, here's your chance to have a say on things that affect you and where you'd like to see the college going. It will help inform how student opinion is represented to the SCR.

It will only take a few minutes. Your response will be kept entirely anonymous. Please include your e-mail address so we can ensure that we haven't had multiple responses from one person. However, if you do not feel comfortable giving your e-mail address, please complete the survey anyway.

In this survey: Environment, Socially Responsible Investment, Smoking in College, Student Representation in College Decisions, OUSU/NUS, Academic Affairs and Disabilities.

Please complete as many sections as you can, but do return it however many sections you want to fill in!

Please indicate your agreement with the following statements by ticking the relevant square:

	<i>Strongly Agree</i>	<i>Agree</i>	<i>Not sure</i>	<i>Disagree</i>	<i>Strongly Disagree</i>
I am aware of the recycling provisions at St John's.					
I always separate my paper from other waste and recycle it.					
I always recycle my drink cans in college.					
I always recycle my food tins in college.					
I always recycle my glass in college.					
The recycling scheme is adequate for my needs.					
I would like to see more recycling points in college.					
I do not recycle as much as I could because the bins are too far away.					
I do not recycle as much as I could because I am not aware of what we can recycle.					
I do not recycle as much as I could but do not think this will change.					
The lights in my bedroom have energy efficient bulbs.					

I would like a separate bin to be provided in my room for paper recycling.					
I am aware that Oxford university currently buys 100% of its electricity from renewable sources.					
I believe that Oxford university should continue to purchase its electricity from renewable sources.					

Do you have any comments or suggestions about how St John's could improve its recycling provision and/or energy efficiency?

St John's College should take the human rights record of companies into account when making investment decisions.					
St John's College should take the environmental record of companies into account when making investment decisions.					
St John's College should not invest in companies that cooperate with oppressive regimes.					
St John's College should not invest in arms companies.					
St John's College should not invest in tobacco companies.					
I am more likely to donate money to St John's College in the future if they have made a public commitment to Socially Responsible Investment.					

Do you have any comments or suggestions about St John's College's investments or the Socially Responsible Investment campaign itself?

SMOKING IN COLLEGE

Please indicate your agreement with the following statements by ticking the relevant box:

	<i>Strongly Agree</i>	<i>Agree</i>	<i>Not sure</i>	<i>Disagree</i>	<i>Strongly Disagree</i>
I believe smoking should not be permitted in student rooms in the older parts of college where there is a greater fire risk (i.e. North Quad, Canterbury Quad and Front Quad)					
I am in favour of the JCR's motion to ban smoking in the college bar until 9pm each day.					
I believe smoking should be banned in the bar at all times.					
I believe smoking should be banned in the bar extension and other public rooms in the college at all times.					
I do not believe any smoking bans should be introduced in college.					
I believe there should be a total ban on smoking in all college buildings.					

Do you have any comments or suggestions about smoking policy at St John's College?

I am aware of the advantages/disadvantages of centralised affiliation to NUS, i.e. OUSU as a whole (rather than individual colleges) being affiliated to NUS.					
I am aware of and know how to get involved in OUSU's campaigns.					
I think that St John's should be more involved in NUS campaigns.					

Do you have any comments or suggestions about our affiliation to OUSU/NUS?

ACADEMIC AFFAIRS

Please indicate your agreement with the following statements by ticking the relevant box:

	<i>Strongly Agree</i>	<i>Agree</i>	<i>Not sure</i>	<i>Disagree</i>	<i>Strongly Disagree</i>
The tutorial system was an important factor in my decision to apply to Oxford.					
I feel I learn more in tutorials than in classes.					
I think it would be a good idea for students to have access to college libraries other than their own.					
I feel at Oxford we are not given enough support with basic study skills, such as essay-structuring.					

Do you have any comments or suggestions about academic affairs?
